Sir:

PRELIMINARY AMENDMENT

The pending claims 1-10 in this application were allowed on July 31, 2007. Applicants hereby submit this preliminary amendment in an RCE prior to payment of the Issue Fee to clean up some of the claim language and to disclose a Non-Final Office Action in a related application that is arguably relevant to the patentability of the pending claims in this application. Applicants respectfully request that the Examiner in this application consider the Non-Final Office Action in the related case and the arguments made herein. Applicants respectfully submit that claims 1-10 are still in condition for allowance.
